

Hello Family and Friends,

We are Excellence Christian Academy and Discovery Youth Foundation, a non-profit 501c3 organization that equips, molds, inspires, and prepares young minds for the uncertain future. Innovative, creative, and challenging instruction sets us apart from traditional education.

We are asking family, friends, and supporters to assist us in keeping our school affordable for all. We love our school, our teachers, and we are growing and learning at light speed.

If you are able, please visit our website and make a charitable contribution of any amount.

You may also help by participating in our upcoming Bowling Tournament Benefit on Saturday, December 23, 2023. Visit our website for all the details.

Thank you from the bottom of our hearts for your consideration. We promise to make you proud!
